*Health Systems 20/20 is a five-year (2006-2011) cooperative agreement (No.GHS-A-00-06-00010-00) funded by the U.S. Agency for International Development (USAID). The project addresses the financing, governance, operational, and capacity-building constraints that block access to and use of priority population, health, and nutrition services by people in developing countries. Health Systems 20/20 offers global leadership, technical assistance, training, grants, research, and information dissemination.*

*Abt Associates Inc. leads a team of partners that includes:  
| Aga Khan Foundation | BearingPoint | Bitrán y Asociados | BRAC University  
| Broad Branch Associates | Forum One Communications | RTI International  
| Training Resources Group | Tulane University School of Public Health*
